Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the K-96 Expansion Project on in Sedgwick County, Kansas. The entity to receive funding is the Kansas Department of Transportation, located at 700 SW Harrison Street, Topeka, Kansas, 66603.

The funding would be utilized to upgrade a portion of K-96 from midway between Oliver Street and Woodlawn Boulevard to midway between Rock Road and Webb Road, expanding from a four-lane to a six-lane freeway, including interchange improvements at the Woodlawn Boulevard and Rock Road interchanges. This project would be an appropriate use of taxpayer funds because it would improve the safety of the traveling public, reduce the risk of collisions, improve reliability, accommodate regional growth, and reduce congestion along a major corridor in the Wichita area.

The project has a federal nexus because the funding is provided for purposes described in 23 U.S.C. § 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ron Estes
