Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the 151st Street improvements project in Sedgwick County. The entity to receive funding is Sedgwick County, Kansas, located at 525 N Main Street, Wichita, Kansas 67203.

The funding would be utilized to replace the deteriorated cold mix asphalt road, add appropriate shoulders, and make roadside ditch improvements to better drain the surrounding area. This project would be an appropriate use of taxpayer funds because it would improve roadway safety for all drivers, reduce delays from constant roadway improvements (due to current needed repairs), and provide a safe and efficient route for truck traffic and farmers.

The project has a federal nexus because the funding is provided for purposes described in 23 U.S.C § 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ron Estes
