Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Eisenhower Parkway Rehabilitation project. The entity to receive funding is the Wichita Dwight D. Eisenhower National Airport (ICT), located at 2173 Air Cargo Road, Wichita, Kansas, 67209,

The funding would be utilized to reconstruct the entrance and exit ramps at Crossfield Road, upgrade the roadway regulatory signage, and upgrade roadway lighting. This project would be an appropriate use of taxpayer funds because it would extend the useful life of the pavement and improve safety at the airport along the primary entrance to Wichita Dwight D. Eisenhower Airport, which leads directly to the terminal. Improvements will enhance safety, reliability, and efficiency for travelers, employees, and freight while also improving access for businesses and visitors traveling to and from the airport.

The project has a federal nexus because the funding is provided for purposes described in 49 U.S.C. § 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ron Estes  
Member of Congress
